SUMMER 2018

HEADLINES: JULY 2018

As parents we often know intuitively what is right for our children. As professional educators the same is also true; although we are aided by the huge amount of educational research that takes place which allows us to make evidence based judgements for what we do. At our recent Open Morning, Year 6 Induction Evening and Commendation Days I spoke to parents and students about this research and outlined a number of things we can do to help our children's education.

Attendance

Make sure they attend regularly. There is a huge difference in educational attainment of students whose attendance is above 97% compared to those below 90%; with a sliding scale of success for those in between. Even attendance at 95% means that a day every 4 weeks is missed and this does have a detrimental impact on attainment. This is just one of the reasons why the government takes such a hard line on term time holidays.

Reading

The more that children read, the more they read with understanding; they acquire more knowledge and the more they are able to access all areas of the curriculum. The evidence is clear – students who read well because of constant practice do better at school than those who do not. Please read with your child at home and encourage them to read as a matter of routine.

Homework

Monitor this and ensure it is done to the required standard. Set aside a quiet place and help your child complete this as part of a daily routine.

Technology

Technology has its educational benefits and these are very welcome. However, there is a growing body of evidence suggesting that some aspects of technology are harmful – reliance on social media and addiction to computer games. As parents do we know how to use the parental controls on our systems at home? Do we know that we can actually turn off the Wi fi?! Do we know how much time our children spend on line and do we insist on a limit to this? Do we model good behaviour in our own use of technology?

Schools want the same things as parents: happy and successful children. We can support each other in this aim by setting boundaries and applying rules consistently. Sometimes we simply need to say no. I am more than happy to support parents in this – our students know what we expect.

I hope your summer break is a happy and peaceful one; after such a miserably cold and wet Winter we deserve the current sunshine to continue over the holidays. We look forward to seeing you all at the start of September.

In 'Caritas et Veritas'

Mike Holland, Headteacher (July 2018)

The Cost of Rescue

Over the past three weeks the world has been gripped, not merely by world cup fever, but by the plight of 12 Thai teenage boys and their football coach trapped by rising floodwater in caves deep underground in Thailand. Were they alive? Eventually we learned that they were. They had somehow survived with limited food and water, no light and low oxygen levels for 9 days. Could they be rescued? Possibly. The cave system was narrow and flooded in places, specialist freshwater and rescue divers would be needed to say nothing of a large support team... Amazingly by last Tuesday they were all rescued. The cost of this rescue? It may never be truly known as it was such an international effort. But the monetary cost is incidental – tragically one of the rescuers, former Navy diver Petty Officer Saman Gunan, died as he helped save the boys.

This true story is a real-life parable – a story that helps us understand a deeper spiritual truth – why Jesus died.

The life of Jesus was a rescue mission. Humanity is in trouble – trapped in moral and spiritual darkness, unable to save itself and in desperate need of a specialist who can. And, if I can push the analogy further, most people are pressing on in the “cave system” of our world, unaware they are trapped and face certain spiritual death.

You see the Bible tells us that all people “sin” – reject the rule of God and opt instead to do their own thing. God, being a righteous and holy god, must judge everyone. The Bible tells us that **the wages of [any] sin is death** because any sin, whether we call it a big sin or not is an offence to a holy god – the one wronged determines the severity of the offence not the offence itself. (For example, I run over a slug, you’re not too bothered. I run over a rabbit and maybe you cringe. I run over a dog by law I have to stop. I run over a child I face prison! The same offence is made more serious by the one wronged.)

How can we rescue ourselves from this situation? We need a specialist who can do what we can’t. We need someone to pay the debt we owe God. The problem is compounded because everyone we turn to in this world is just as morally bankrupt before God as we are – everyone faces the same judgement/punishment as we do. They can’t save themselves let alone us.

Jesus described his ministry as having come to “seek and save the lost” – a rescue mission. He was uniquely positioned to do this because he is not of this world, He was/is God. So he entered our world and paid the debt for us – He gave his life so we might live. He came knowing he would die in our place so we would not have to face judgement. All God requires of us is that we implicitly trust Him and His words.

As the summer holidays lie before us, I pray you have a refreshing time. Enjoy some caving if you wish, but keep an eye on the weather forecast! But can I urge you to consider Jesus and his sacrifice for us. Then you will be truly blessed this summer.

Revd Phil Highton

Year 11 Prom

6th July 2018

The 6th July was a glorious day, leading to a beautiful evening for the Year 11 prom. Pupils arrived in an array of vehicles from a Mustang to a fire engine. Dresses shimmered in the sunset and the boys seemed to follow a certain Mr Southgate as waistcoats were aplenty.

The evening began with a sunset cocktail and food. The award ceremony followed and then our lovely Year 11s were free to party. The dance floor was never empty, the sweet buffet disappeared and the balcony was filled with happy people watching the sun set over the Cheshire countryside. The atmosphere was chilled and happy.

Enjoy the photographs which show a delightful array of happy faces from both Year 11s and staff. Thank you to everyone who helped to make this event a wonderful memory to our lovely Year 11s.

Year 11
Good luck for
the future!

Pupil Awards

Best Looking Girl: Olivia Moynihan

Best Looking Boy: James Royale

Best Bromance: Zach C and Lewis G

Best "glowup" Girl: Charlotte Booth

Best "glowup" Boy: Ben Yarwood

Person most likely to take over the world: Elicia Guy

Pupil most likely to be Prime Minister: Max Finney

Person most likely to be on TV: Rhys Stevens

Funniest pupil: Luke Walsh

Kindest Pupil: Abigail Massey

Chattiest Pupil: Ellie Lambert

Best all-round pupil: Lucas Martin

Pupil who has shown the best school spirit: Leonie Higgins

Pupil who has overcome the most: Amir Behnejad

Teachers' Award: Amir Behnejad

Prom King and Prom Queen: Finley Scott and Charlotte Tomlinson

Junior Maths Challenge Success 2018

Pupils at Hartford Church of England High School achieved 2 golds, 10 silvers and 26 bronzes in this year's UKMT Junior Maths Challenge.

Over 260,000 pupils from across the UK sat the Junior Maths Challenge with roughly the top 6% receiving a gold certificate, then 13% silver and the next 21% bronze.

Approximately 8200 of the top students are invited to sit a follow-on competition, the Junior Mathematical Olympiad or Kangaroo.

At Hartford CE High School, Daniel Houghton and Max Kerr went through to this round.

Well Done!

The Junior Maths Challenge is run by the UK Mathematics Trust and supported by the Institute and Faculty of Actuaries. It is aimed at those in Year 7 and 8 and is sat in schools.

For further information contact: Miss B Crerar

The UK Mathematics Trust is a registered charity whose aim is to advance the education of children and young people in mathematics. It organises national mathematics competitions and other mathematical enrichment activities for UK secondary school pupils.

Further information about the Trust and its activities is available at www.ukmt.org.uk

Test your brain power!

Sample question from this year's Junior Maths Challenge
(answer available at www.ukmt.org.uk):

Gill scored a goal half way through the second quarter of a 'teacher versus pupil' netball match. At that point, what fraction of the whole match remained to be played?

A - $1/4$ B - $3/8$ C - $1/2$ D - $5/8$ E - $3/4$

STUDENT LINKS 2018 SPANISH STUDENT VISIT

This half term, nine pupils from Hartford Church of England High School are hosting Spanish students from Bilbao and Madrid for 4 weeks. This, as with previous years, is proving to be a great experience for those students taking part.

We would like to thank those students and families who have welcomed the Spanish students into their homes and for providing them with a wonderful opportunity to experience lots of great aspects of life in our country. An article written by one of our students who took part sums up the experience perfectly!

My Spanish student's visit

I loved having María to stay with my family and me!

I loved it for many reasons, but the main one is that it was great to make a new friend from another culture. We got on well, and despite the age difference (1 year), became close friends.

It also enabled me to improve my Spanish and gave María a chance to develop her English! I particularly enjoyed lunchtimes in school together, as we ate with the other Spanish students and their hosts! I especially liked listening to their conversation (though I didn't understand much of them!) as it gave me an opportunity to hear fluent Spanish first hand!

Also, as it turned out, our birthdays fell two days apart – and so we had a joint birthday party, which was really fun! So, all in all, it was wonderful having María stay with us and I can't wait to host her again next year!

Mary Smith Year 8A

SUMMER CONCERT

The Summer Term is always busy for The Music Department as we showcase the musical talents of our pupils through our Summer Concert, Open Morning and Commendation Days.

The Summer Concert was a resounding success with a varied programme from classical to rock. Our Year 11 performers took to the stage one more time with Rowan Kreissl and Jack Devey performing a Guns and Roses classic Sweet Child of Mine. We said goodbye to orchestra members Elicia Guy, Lucas Martin and Christian Farley who have hugely contributed to orchestra and helped it on its successful path. We also say goodbye to Tom Clarke who supported many pupils through their performances at the summer concert as well as conduct the orchestra with his very own BTEC composition Theme Number Three.

Our ensemble groups brought pupils together with Mr. James leading Chamber Choir with an amazing rendition of This is Me accompanied by Mrs. Jackson, Mrs. Bushnell-Wye leading wind group, Mrs. Smalley leading string group, Ms. Philippou leading brass group, not to mention the bands our pupils brought together.

Our annual Samba performance literally took a step in another direction with a routine down the aisles, however the stand out moment was Let It Be. Ms. Philippou brought music groups together for an epic performance, the Year 8 Band Hart and Soul (Isobel Sanders, George Price, Nathaniel Westwell and Nina Martin) alongside our guitar pupils (Isobel Flemming, Ethan Dimlow) introduced the piece, joined by Year 5 and 6 pupils from Hartford Primary in the first verse, who were then joined by Year 7 singers in the second verse, who were then joined by staff

Music Department News

Summer 2018

choir in the chorus who were finally joined by the audience. It was a wonderful moment especially when Reuben Makin kept his cool with the only guitar solo in the piece. The hard work and effort from all our performers clearly paid off as the quality of performances were extremely high.

As the school year ends performances continue from our soloists at Commendation Day with Ruth Ivanova, Gabrielle De La Mare, Reuben Makin, Grace Sperring-Toy, Katie Turner, Lucy Crowder, Ethan Dimlow, Mary Price to name but a few. Also, our DJs including Tristain Waddon, Sam Fletcher and Thomas Greaves made guest appearances at the Year 6 Disco along with DJ tutor Mr. Gosnay.

Our resident DJs returned to entertain the crowds at our new intake Disco!

Tristan Waddon, Sam Fletcher, André Adams and Thomas Greaves took to the decks once again under the guidance of DJ tutor Mr Gosnay whilst our future Year 7 danced the night away. André even played his saxophone to the crowds of youngsters!

A fantastic night was had by all

Wishing all our pupils the best of luck:

Associated Board Examinations

It is a nervous time for our musicians as many are entered into ABRSM examinations.

Grade 5 examinations:

Bryn Daniel 7T flute,
Mary Smith 8A trumpet,
Josie Schofield 10A saxophone,
Naomi Crowder 10A clarinet,
Nina Martin 8H oboe

Grade 4 examinations:

Harry Buckley 10C euphonium

Grade 3 examinations:

Kate Armstrong 7C clarinet,
Hope Jackson 7S piano,
Anna Yevseyev 8A piano

Grade 2 examinations:

Stanley Miller 7C tenor horn

Well Done!

André Adams 7R

During our Summer Concert we were fortunate enough to listen to a very talented Year 7 saxophonist, André Adams, who performed a flawless rendition of "Baker Street" by G Rafferty.

André has stepped out of the comfort of the school environment and stepped into the realms of a Talent Roadshow. Having submitted an audition video into Autism's Got Talent, he clearly made a great impression as has been shortlisted to perform in the live final at the prestigious Floral Pavillion in November 2018.

Music Lessons

We have 11 instrumental tutors who are keen to teach your child a musical instrument and we are also able to hire out instruments to help your child on their musical journey.

Please contact

Ms. Z. Philippou at zphilippou@hartfordhigh.co.uk if you are interested in music lessons for your child.

Tuition is offered on the following instruments:

Violin	Clarinet
Viola	Guitar
Cello	Bass Guitar
Trumpet	Ukulele
Cornet	Drums
Euphonium	DJ
Tuba	Singing
Trombone	Piano
Flute	Keyboard.
Oboe	

Northwich Sings

The school was invited to perform at Northwich Sings at the memorial Court. Northwich Sings is performed over 4 nights and brings together all Northwich Primary schools to sing songs based on the theme ***“Wind in the Willows”***

The Year 8 performance group created a new dance for the evening using the music from the new London production entitled ***“Spring”***

Dance News

Summer 2018

Evening of Dance

Once again the school's annual Evening of Dance was a huge success with over 80 pupils taking part. The theme of the evening was a "Night at the Musicals" and the audience was entertained with music from "Cats", "The Greatest Showman", "High School Musical", "West Side Story" to name just a few. The standard of dance was exceptional from all years and pupils also had the opportunity to perform their own choreography.

*Congratulations to all dancers and
thank you to the staff who helped
supervise on the day.*

Two of our ex-pupils Natasha Wyatt and Kelly Bagshaw were invited to choreograph a dance for the Year 10 Btec Dance group, and Kelly and Natasha also performed their own duet. Copies of the video and photographs will be available very soon.

Well Done!

NW Finals Great British Dance Competition

On 23rd April Hartford Church of England High school had three groups in the NW Finals of the Great British Dance Competition (the only school with three pieces).

Each group performed beautifully and the results are as follows:

4th KS3 Competition
"Bruce"
Year 8

6th KS3 Competition
"Hit the Road Jack"
Year 9

5th KS4/5 Competition
"Where have all the children gone"
Year 10

Congratulations to all of the girls who performed at the Parr Hall

Thank you
to the pupils for your
brilliant behaviour.

Geography Fieldwork in Llandudno

Wednesday the 20th and Thursday 21st June saw the Geography departments' annual trip to the sea side.

This year we travelled to Llandudno to complete our fieldwork. The day was split into two, with human field work taking place in the morning and physical in the afternoon. We based ourselves in the town for our human fieldwork and collected data on the quality of the environment and the pedestrian traffic. In the afternoon we completed beach profiles and sketched some of the sea defences used to protect the coastline at Llandudno.

Everyone worked really hard to collect all the relevant data. The wind and rain made it slightly tricky on the Wednesday but we battled on. Thursday was a more pleasant day and we even had time for ice-cream...although the seagulls also wanted to join in and not being fussy eaters also snatched a sausage roll!

The data that we collected is now being mapped, graphed and analysed in lesson time. This will allow us to determine the accuracy of our two hypothesis. All our equipment is now safely stashed away ready for next year.

CONGRATULATIONS TO.....

Luke and Ben both graduated from the Fire Service RESPECT course.

Both boys thoroughly enjoyed the 9 week, 1 day course, held at Winsford Fire Station which involved hose drill, fire safety, car rescue, the smoke room, water and fire safety and many other team building activities.

Luke said he ‘...enjoyed all of it, particularly cutting up cars and the Police Museum. I learnt a lot about working in a team and met new interesting people.’

Ben said he thoroughly enjoyed the course ‘some bits were hard but I stuck at it. I really enjoyed squirting Pete (RESPECT Instructor) with water and cutting up cars. I learnt a lot about working as a team.’

TAs Ms Hughes and Mr Dale, who accompanied Ben and Luke, said both boys worked really hard and how proud they are of both of them.

LUKE GRAINGER Year 8S

Library News

Summer 2018

Accelerated Reader

Year 7 and 8 classes have worked really hard all year with their Accelerated Reader Library lessons and we hope they have enjoyed their time in the library.

There are several awards the library gives at the end each year:

The 'best class' prize

The 'top word scorer'

The 'word millionaires'

Best Class Prizes go to:
Year 7 Mrs Hardy 719
Year 8 Miss Brett 8EW1X

Top Word Scorer for
Year 7
Alice Webster

Top Word Scorer for
Year 8
Isobel Sanders

Reading Champions

Congratulations to Elicia Guy Year 11H for achieving her Gold Reading Champions award! Elicia has worked incredibly hard to achieve this by taking part in a wide variety of activities. She has volunteered as a librarian during her time in school, has supported pupils with activities in homework club, and led a group of pupils as part of the Cheshire Book Award.

Reading Champions meet each week to work on projects and lead events which promote reading across the school. Students have the opportunity to earn Bronze, Silver and Gold awards, Gold being the highest. Reading Champions is open to all pupils. If anyone is interested in joining, please speak to Miss Shewan in E23.

Summer 2018

Cheshire Schools' Book Award

On Tuesday 26th June, our reading team was invited to attend the announcement ceremony for the Cheshire Schools' Book Award 2018. The ceremony took place at the Winsford Academy and was attended by four of the authors whose books appeared on this year's reading list.

Attending authors were Robin Stevens, Kerry Drewery, Gill Lewis and John Young who all gave fantastic talks about what inspired them to become writers and signed copies of their books for the students.

The winners for this year were: In the older readers category first place went to Kerry Drewery for *Cell 7* and the runner up was John Young for *Farewell Tour of a Terminal Optimist*. In the younger reader category first place went to Robin Stevens for *The Guggenheim Mystery* and second place went to Gill Lewis for *A Story Like the Wind*.

As always, our students were an absolute delight and a credit to our school.

Our reading team is open to students, teachers and governors – It is always nice to welcome new faces.

If you would be interested in joining our reading team for next year please pop up to the library or drop an email to Mrs Lea jlea@hartfordhigh.co.uk

Ethan Walsh Year 7R
Christian Sutton Year 7F

Cheshire Book Quiz Final

Congratulations to Hartford's team who successfully made it through to the Cheshire Book Quiz final at The King's School, Chester. The team, consisting of Daniel Houghton Year 8S, Gemma Freeman Year 8S, Alice Webster Year 7A and Nina Martin Year 8H successfully reached the final four to take part in an exciting, nail-biting final.

Thirty schools took part in the Cheshire Book Quiz, which involved answering questions on set books and general literary knowledge. It was a huge achievement for the team to reach the final and they have good reason to be extremely proud of their success.

The evening of the final was an exciting occasion. The team were able to meet author Mike Revell who gave an interesting and inspiring talk about the influence of books in his life. A brilliant evening was had by all – well done to the team and everyone involved!

Miss A Shewan

Congratulations

This year the MFL department will say goodbye to Miss Xerri. She has been a very valuable member of the department and school since 2013. In September she will embark on her new post as Head of Spanish in an International School in The Hague, Holland. We wish her every success!

Farewell to Miss Xerri

Romeo and Juliet review: The tale of star-crossed lovers is brought to Hartford

Earlier this term Yr11 were treated to an amazing production of 'Romeo and Juliet' by the talented North West Theatre Arts Company. They put a new spin on a well-known Shakespeare play that all Key Stage 4 students study for their GCSE Literature exam. The Montagues were presented as an affluent black family and major financial supporter of Manchester City Football Club. In contrast, the Capulets were a white family heavily involved in Manchester United Football Club. Shakespeare's classic story of conflict, family feuds, hatred, and above all, love, was transformed in this contemporary production which kept pace and gripped our students throughout.

Salters Festival of Chemistry

On 06/06/18 Anna Yevseyev, Mary Smith, Harry Smith and Joe Bradley, four of our Year 8 pupils were chosen to represent the school in the Salters Festival at the University of Liverpool. The closure of Liverpool Lime Street station made for an interesting journey into the city. The children were not put out by this and enjoyed the walk through a sunny Liverpool. Sixteen schools from all over the North West were competing to overhaul Hartford as champions.

During the morning the teams carried out experiments and were given a taste of University life. After lunch the teams were given a chemical reaction that absorbed heat and had to calculate the exact quantities of the reagents that would achieve a set temperature of 10.5°C after exactly 40 seconds. Hartford practiced the experiment and worked on the different quantities of reagents. During these practice runs they managed to achieve a perfect 10.5. However, when under the eye of the judges this couldn't be repeated.

Although they were not placed in the top 3 for the morning or afternoon they had an enjoyable day and were great ambassadors for Hartford High School.

Active in Mind Project

During Citizenship Day in June the Active in Mind Project had a busy day with the pupils working alongside the mentors and Neil Dans our Athlete Mentor. Activities included team building skills, orienteering at Marbury park and Active Yoga with our guest teacher Donna Burstow. The project has been a huge success and we hope to continue with the work next year.

Another amazing
SPORTS DAY
had by all!
Bluehouse were the winners and
Red House won the fair
play award.

The photo shows Patrick and his partner Gwilym with their coach, Barrie - and their medals!

Well done boys!!

Inter-Regional Regatta

In April 2018, Patrick Brogan Year 11T competed in the Junior Inter-Regional Regatta. He and his J16 doubles partner did amazingly well, beating several elite rowing schools and rowing clubs to get into the A finals. They went on to row an amazing race with a nail-biting photo finish for joint silver!

All crews competed and won regional races earlier this year in order to be selected in the first place, so just rowing at the event is an achievement.

The medals mean they've made a key step towards the England talent pathway to represent their country.

Katy Smith plays for UK Lions

Congratulations to Katy Smith who played for UK Lions Hockey team on their recent Holland tour.

congratulations

Huge congratulations to Rio Johnson Year 9T on a successful year in Martial Arts.

He has competed all around the World in European and World Competitions and has had a huge amount of success in both disciplines that he competes in!

He has worked so hard this year becoming:
WUKF European Kata Champion, UWK World Champion Kumite, UWK World Bronze Medallist Kata and WUKF World Bronze Medallist Kumite.

Rio has done very well balancing his school work with his competitions.

As a school we wish him continued success for many years to come!
